Subject: RE: Permits

Randy:
Yes, the previous lagoons required a Title 123 construction permit. I cannot speak for any Nebraska DNR permitting requirements.

Thanks,
Tom

Subject: Permits

Hi Tom,

We had a question from the group I hope that you can answer. Did the current 3 lagoons required the same permits as the new treated water ponds? We presume that the answer is yes, but can you confirm?

Thanks,

Randall Grachek, P.E.
